

Sometimes hair has
a mind of its

own!

Hair Trouble

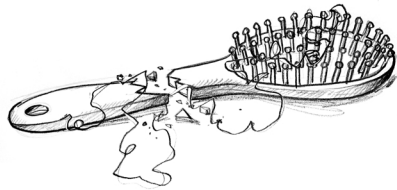

Roger

Sara
Carbone

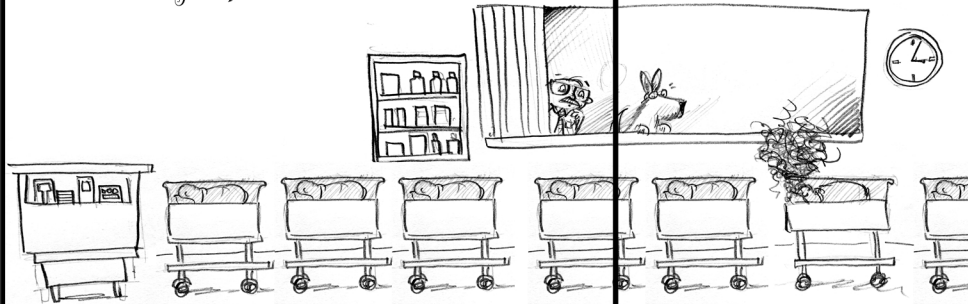

For Solange and Hada Luz

Sara was easy to pick out in a crowd

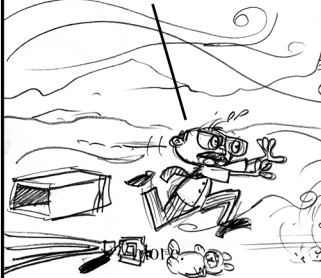

because her hair was...

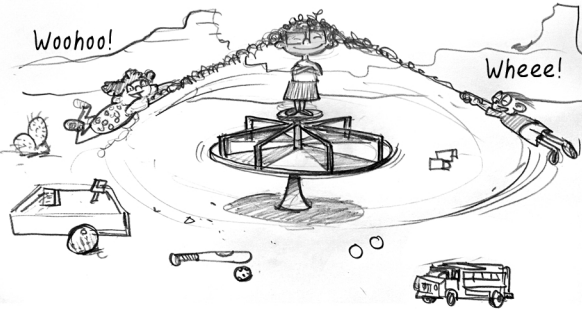

Wait! Come back!

Wooahoo!

Wheee!

Her hair was a hit on the playground

particularly when it was hot.

It was exciting to comb...

BACK! BACK!

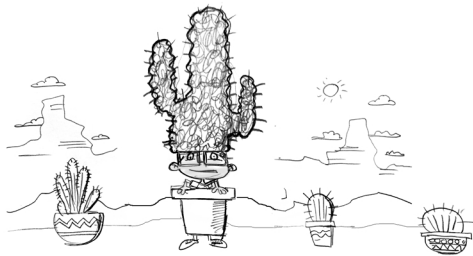

...very helpful at the store...

...around the house...

Sara, could you get the socks?

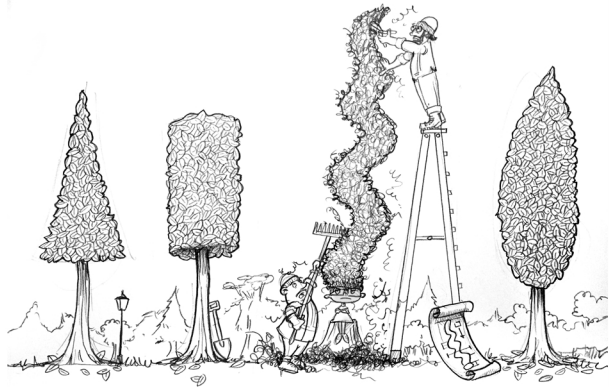

Every vacation came with a surprises.

And so did everything else.

But it wasn't all sunshine and lollipops.

Things got misplaced.

Have you seen my keys?

Where's my sandwich from yesterday?

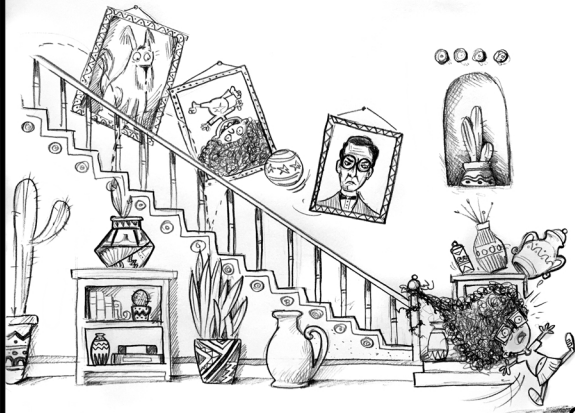

Where's the dog?

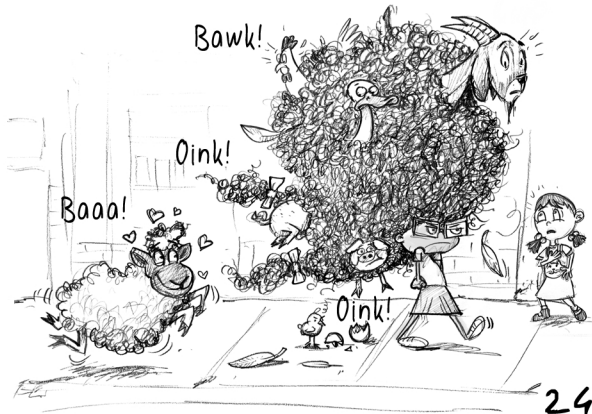

WOOF?

It got in the way.

And it always attracted the wrong
kind of attention.

Sara decided
she'd had it.

I've had it! Time for a change.

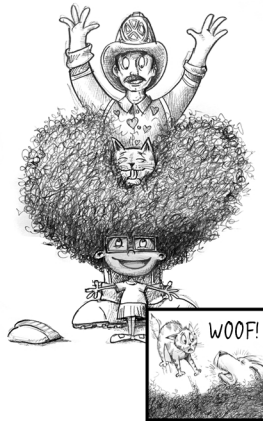

Are you
sure?
